

# 55 Corporate Building IV

## sanofi-aventis USA Headquarters Expansion

*Bridgewater, New Jersey*

**G**ale Construction provided construction management services for this four-story, 204,000 square foot Class A office building. This build-to-suit for **sanofi-aventis** serves as an expansion of their USA Headquarters, which occupied the adjacent 670,000 square foot office space in the three buildings on the 154-acre site.
